NEWS

We recently had work done on the roof of our foyer. This was an expensive job for which we received grants from the Area Committee for Dumfries & Galloway and from the Lockerbie Trust.

We provided matched funds from our own reserves.

Visiting Groups

We will be hosting two events in the near future by visiting groups

Getz Group were in Lockerbie for the Jazz Festival and will be bringing their smooth jazz back to the Little Theatre on May 31st.

On the 5th June the Isosceles Theatre Company will be making their third visit to the Little Theatre and will be performing "The Man Who Left The Titanic"

Please do come along and support these events. They are sure to be quite wonderful.

MOST OF THE CAST AND SOME OF THE SET FOR "CASH ON DELIVERY"

Cash On Delivery

After reading a good number of plays over the Christmas period we think we have found a little gem. We will be returning to farce territory with Michael Cooney's "Cash On Delivery"; a tale of benefits fraud, cross-dressing and incipient marriage.

The dates for the play are as follows:

Monday 27th April - Friday 1st May

The play will again be directed by Betty Wilson and we look forward to seeing you all there. Tickets will be on sale at the Cumberland Building Society from the 13th April. The special offer of 2 full-price tickets for £12 will apply for the opening night
