### Visiting Groups

The Theatre recently hosted two events.

On the 20th September the Guild Of Players brought their touring production of "Bazaar And Rummage". The play was well-attended and much enjoyed.

A week later, on the 27th September, the theatre was used as part of Lockerbie Jazz Festival, hosting a Blues guitar workshop followed by several Blues performances

A SCENE FROM OUR LAST PLAY, "CAUGHT IN THE NET"

## Prescription For Murder

Play readings have been held over the Summer and we have found some plays that would be well worth doing. The first of these - and our next production - is "Prescription For Murder", a thriller by Norman Robbins

For unavoidable reasons the dates for this play will be somewhat different from our usual Monday-Friday arrangement. The dates for the play are:

Thursday - Friday 20th - 21st November

Monday - Wednesday 24th - 26th November

The play will be directed by Betty Wilson and we look forward to seeing you all there.
