AGM

Our AGM took place on the 31st August. At the AGM it was decided that ticket prices and membership fees should remain unchanged. Small changes were made in the way that the Club handles its finances with a view to making it easier to apply for grants

Associate Members

Associate Members had a holiday from membership fees last year as we only put on one play. This year we hope to put on two plays and so contributions will be sought in the coming weeks. As noted above subscriptions are unchanged at £5. We much appreciate the support of our Associate Members and look forward to seeing you at our productions.

SOME OF THE CAST IN EARLY REHEARSALS FOR "LIFE AND BETH".

Life And Beth

The first play of the season will be a comedy by Alan Ayckbourn entitled "Life And Beth". Rehearsals are now beginning and the play will be performed from the 14th November until the 18th November.

The play centres on Beth, the recently bereaved widow of Gordon - a Health and Safety Officer at Twistleton's. Theirs had been, it would seem, an idyllic marriage with never a voice raised in argument.

When it becomes clear that Gordon is not quite as "departed" as it seemed, Beth has a big decision to make.

The play will be directed by Betty Wilson
